

Instruction Sheet

Abschmink-Balsam KI **Make-up Remover Balsam KI** Art. 500039

Usage:

For the removal of make-up (cream based make-up etc.) from the skin.

Due to its particularly mild and gentle cleansing action, the KERLING "Abschmink-Balsam Ki" is particularly suitable for skin under daily aggravation. Its cleansing action is considerably higher than regular make-up removers.

The balsam effect allows the removal of make-up without extra washing.

Due to its conditioning properties, the KERLING "Abschmink-Balsam Ki" can also be used as a skin cream.

Instructions for Use:

Apply to the areas of made-up skin, emulsify well and wipeoff with a soft cloth.

Tips and Tricks:

For a particularly effective and gentle cleansing result, we recommend the use of a micro-fibre cloth.

Further suggestions to the usage of our products is available at any time from our professional adviser, Mr. Schmidt-André
