

## Instruction Sheet

### Brush Cleanser Ki

Art. 500041

#### Usage:

For the cleansing of make-up brushes made with either natural hair or synthetic bristles.

#### Safety Precautions:

Do not bring into contact with mucous membranes of the eyes, nose or mouth.  
Flammable – keep away from children.

#### Instructions for Use:

Fill a spirit resistant vessel with brush cleanser, dip the make-up brush and wipe off on a soft cloth. Repeat procedure, if necessary.

#### Tips and Tricks:

The KERLING Brush cleanser Ki also removes adhesive residue from wigs and beards, (particular good for Spezialkleber Ki.)  
In required situations, KERLING Brush Cleanser Ki can also be used as an adhesive remover on the skin.
