

Information + Instructions

PROSSAR Ki Art.: 500027

Usage:

For removing particles of glue from the skin, prosthetic appliances, hair pieces and wigs.

Safety Precautions:

Do not bring in contact with eyes or the insides of mouth, nose or ears.
Inflammable – keep away from children. It is advisory to test the remover before using.

Procedure:

Dip cotton wool or soft cloth into **PROSSAR Ki** and use to gently rub the skin clean.

Soak heavily clotted hairwork in **PROSSAR Ki** for a few minutes before removing glue particles with a brush.

Tips and tricks:

Solvent may be left on the skin for some time to remove obstinate remains of glue.

Cleansing:

After cleansing wash skin with soap or facial wash.

Our specialist, Florian Schmidt-André will gladly provide further advice on usage at any time
